

Another Prosthesis Toe

<http://www.virtual-egypt.com/newhtml/articles/Early%20Prosthesis%20Kept%20an%20Egyptian%20Looking%20Good%20in%20Sandals.htm>

You are walking down the street in Thebes, Egypt, 2,600 years ago, when a cart runs over your foot.

The bad news is you lose a toe. The good news is Egyptian doctors have learned how to make you another one.
